

PH.D. GRANT AT THE INTERNATIONAL CENTER FOR NUMERICAL METHODS IN  
ENGINEERING (CIMNE) IN BARCELONA

CIMNE is offering a PhD position granted by the “*State Programme for the Promotion of Talent and its Employability in R&D&I*” (former FPI program) for Research Centers with the excellence seal Severo Ochoa.

- Subject of research: **High-Performance Multiscale Computational Modelling and Design of Engineering Materials and Meta-materials.**
- Grant duration: 4 years
- Scientific supervisor: Prof. Xavier Oliver
- Application deadlines: 17/10/2019-07/11/2019
- Information about the grants can be found at [https://www.boe.es/diario\\_boe/txt.php?id=BOE-B-2019-43153](https://www.boe.es/diario_boe/txt.php?id=BOE-B-2019-43153)
- For Spain residents applications should be presented electronically, (therefore, the applicants should necessarily sign the application form through a digital ID certificate, preferably the FNMT one).  
For residents in other countries the application should be sent via the Spanish embassy or consulates.
- Please notice the short time available from the deadlines above.

For specific information, please, contact
